

What's New Around the South

A World Class Resort With Mass Appeal

When your client is searching for "the perfect beach retreat" that will appeal to the whole family, you can offer the perfect solution. The luxurious Amelia Island Plantation, located in northeast Florida, overlooks the Atlantic Ocean and offers dozens of activities for every member of the family.

Amelia Island Plantation

Dad will appreciate the challenge of 45 golf holes which offer panoramic views of Amelia Island's lush surroundings. The Health and Fitness Center offers a wide range of choices for Mom, with everything from relaxing massages to invigorating aerobics classes. Teenagers have plenty to keep them active with pool parties, bonfires, miniature golf and "Sundae Night at the Movies." Little ones aged 3-12 will

love "Just For Kids," a dinner and activity center featuring themed activities and a children's menu. And while parents enjoy spa and golf to get fit, youngsters can enjoy nature tours, swimming, bikes, paddleboats and tennis. Finally, for new moms and dads, grab a baby jogger and hit the beach!

Amelia Island Plantation even has a wide array of choices for accommodations, offering deluxe hotel rooms, one-, two-, or three-bedroom villas. For information on special golf, tennis or seasonal packages, call 1-800-874-6878.

The Perfect Complement to a Central Florida Vacation

For clients looking for premier central Florida vacation accommodations without the premier price tag, Kissimmee-St. Cloud offers a substantial alternative. Located in the heart of Florida's most popular attractions, including Walt Disney World, Sea World of Florida, Universal Studios Florida, Busch Gardens, Cypress Gardens and the Kennedy Space Center, Kissimmee-St. Cloud affords close proximity to central Florida's most popular destinations.

Kissimmee-St. Cloud not only helps travellers stretch their travel budget, but it also helps to extend

their entertainment options. Although the area is best known as the gateway to central Florida's most popular destinations, Kissimmee-St. Cloud also offers its own share of attractions.

These include Gatorland, an alligator show and tour, and Cypress Island, a 200-acre natural island preserve featuring two miles of nature trails and 17 species of exotic animals and guided tours. Dinner shows include the Medieval Times Dinner and Tournament complete with jousting, the Arabian Nights Dinner Attraction featuring equestrian performances and Capone's Dinner and Show, featuring a Broadway-style song and dance revue. The area also offers quaint historic districts which provide opportunities for walking tours, antique browsing, shopping and sightseeing.

To make booking any one of the more than 35,000 lodging units a breeze, Kissimmee-St. Cloud has set up a state-of-the-art reservations
