## That's a Wrap.

Planning a stress-free holiday has never been simpler.

1. Get a jump on your holiday shopping and kick off your new church year at the same time by hosting a WorldCrafts church party in August or September. To plan this church event, you just need to book the space, recruit help with food, and promote the event through your bulletin and/or mailouts.
2. Your WorldCrafts orders will arrive three weeks after you place your order. (You may wish to give church members the option of leaving their WorldCrafts orders in storage at the church so they don't have to take them home then bring them back for wrapping.)
3. Anytime from then through December you can host a gift-wrapping party! To plan this event, you just need to book the space; recruit help with wrapping, supplies, and food; and promote the event through your bulletin and/or mailouts. Since students are out of school for Christmas break, this is a great time for your church's youth group to volunteer their time and show love for others in a practical way.
4. At this event, church members can have both their WorldCrafts orders and their other gifts wrapped for a small fee or donation. This can go to a local homeless shelter, the Lottie Moon Christmas Offering®, the Jackson/Reese Endowment for WorldCrafts, or another worthy cause.
